About “The Patroller”:

“The Patroller” was the name of the NAS Brunswick base newspaper, and in accordance with our mission to preserve the rich heritage of the former NAS Brunswick, we decided to name our quarterly newsletter eponymously to honor that publication. BNAM has a library of past editions of “The Patroller” and will regularly feature them on our Facebook page and in this newsletter. Reader contributions to “The Patroller” are most welcome; please send your articles to info@BNAMuseum.org.

Our mission:

The Brunswick Naval Aviation Museum was founded in 2009 as a 501(c)3 non-profit corporation. Our mission is to preserve the rich heritage of NAS Brunswick (NASB) by honoring the tens of thousands of men and women who served here, educate the public about the history of maritime patrol aviation and NASB, and maintain a memorial for those NASB-based airmen who gave their lives in service to their country.

From the President

“Honoring Our Past”

The Brunswick Naval Aviation Museum took the time to ‘heave to’ and honor our past by co-hosting the 244th Navy Birthday Gala with Casco Bay Council of the U.S. Navy League on October 12th, 2019. This is the third consecutive year that we have co-hosted the Navy Birthday celebration at BNAM after a hiatus in the Mid-Coast Region, and we continue to build upon each year’s success to honor our past and celebrate what your Navy is doing around the globe today. This year’s event featured Dinner Dress/Black Tie attire and upscale catering provided by the Muddy Rudder Restaurant of Freeport, Maine. Thanks to the generosity of a number of corporate sponsors and the Casco Bay Council of the Navy League, twelve active duty Sailors enjoyed free admission and fifteen active duty military guests enjoyed half-price admission. CDR DonAnn Gilmore, the Commanding Officer of PCU USS DANIEL INOUYE (DDG-118) served as the guest speaker and presented a fascinating update on life around the Fleet. Based on the continued success of this event, we are already planning the 245th Navy Birthday celebration for October 10th, 2020 – mark your calendars, and we hope to see you there!

Continuing with the theme of honoring our past, we are pleased to announce that RADM Roy D. Snyder, Jr., USN (Ret.) announced a \$25,000 pledge to our “Wheels Up” capital campaign to name the chapel within BNAM as the “Mrs. Ann L. Snyder Museum Chapel” in honor of his recently deceased spouse. Further details of the announcement are contained on page 7, and this announcement is strategically important for BNAM as it marks the first individual room naming contribution to our capital campaign. RADM Snyder was already a member of the “Triton Club”

for pledging \$10,000 toward our capital campaign, and we can’t thank him enough for his continued generosity.

We are pleased to announce that we recently received a \$10,000 grant from Morton-Kelly Charitable Fund, which we will use to for collections processing and proper storage of our artifacts.

Finally, we are looking ahead to hosting the 2020 NAS Brunswick Reunion scheduled for 14-16 August 2020 in conjunction with the Great State of Maine Airshow. VP-8 and VP-23 are planning to host a squadron reunion on the sidelines of the reunion, and we invite all other squadrons to consider doing the same. We are pleased to announce that Cook’s Lobster and Ale House will be providing catering services for the banquet dinner, and we’ll feature beer from our great partners at the Flight Deck Brewing Company. We expect to ‘go-live’ with on-line registration in early January, but we recommend that you secure lodging as soon as possible as the Great State of Maine Airshow will add to the normal demand of August tourist season.

In the course of my business and personal travels, I am often asked about the progress of the museum by those who haven’t seen it firsthand. My response hasn’t changed in the three years I have been associated with this organization: “there is no doubt we will succeed; the only question is how fast we will get there.” Please consider boosting your commitment by increasing the level of your membership or upping your pledge to our capital campaign to accelerate our growth.

KNHZ forever,

Sean

“Ann L. Snyder Museum Chapel” Naming

We are pleased to announce that RADM Roy D. Snyder, Jr, USN (Retired) has pledged \$25,000 to our “Wheels Up” capital campaign to name the “Mrs. Ann L. Snyder Museum Chapel” within the Brunswick Naval Aviation Museum in honor of his beloved wife of 67 years. In committing this pledge, RADM Snyder wrote the following note to BNAM:

November 13, 2019

Dear Brian,

Thank you for your letter regarding my desire to designate my wife Ann in recognition of the Brunswick Naval Aviation Museum Chapel. As I indicated I would like to name the room "The Ann L. Snyder Museum Chapel", but in addition I would expect that there would be additional information regarding her activities for 2 1/2 years as wife of the Commanding Officer of the Brunswick Naval Air Station and additionally for two years as wife of Commander Patrol Wings Atlantic (COMPATWINGSLANT). During those five and one half years she was very active with the current catholic chaplain at that time at the BNAS chapel, LCDR John R. MacNamara, USN, who subsequently retired as RADM John R. MacNamara, Chief of Chaplains of the US Navy in Washington, DC, and ultimately passed away as a Bishop in the Diocese of Boston.

All the best,

Roy Snyder

RADM Roy D. Snyder, Jr.

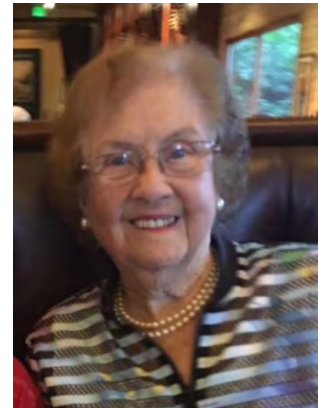

Thank you for your continued support of BNAM, Admiral; Mrs. Snyder's obituary follows to honor her legacy of service to our Navy and nation as a Navy civilian and a Navy spouse.

“Ann L. Snyder Museum Chapel” Naming

Ann Lydon Snyder passed away peacefully on September 5, 2018. She was surrounded by her husband, retired Rear Admiral Roy D. Snyder, Jr., and many loving family members.

Ann was born on Feb 28, 1927 in Minooka, Pennsylvania, the youngest of 6 children. Upon completing high school at Marywood Seminary in Scranton, Pennsylvania in 1944, she joined a community of working “government girls” contributing to the WW II war effort in Washington, DC, working in the Navy Department and the Office of the Secretary of State. While in Washington, at the request of her roommate who was dating a U. S. Naval Academy midshipman, she met Roy on a blind date in 1948 on the 50 yard line at the Notre Dame/Navy football game.

Following Roy’s graduation from the US Naval Academy and a year at sea as an Ensign, they were married in Washington DC on December 29, 1951. During Roy’s six-month deployment to Iceland with his first aviation squadron, Ann visited Roy in Reyjavik, Iceland for two weeks. During Roy’s second six-month deployment to Port Lyautey in Morocco, Ann, with another squadron wife, took a one-month tour to the Mediterranean including Rome, Paris and northern Africa. These trips initiated Ann’s worldwide travel experiences through Europe, Asia, Africa and South America during Roy’s 30 years in the Navy and continued during the 67 years of their marriage. One of her most anticipated trips was the tradition developed later in her life of Christmas vacations she and Roy would take with her children and grandchildren. Over the course of the last decade they traveled to Mexico (3 times) Jamaica, Grand Cayman, and Hawaii (twice).

During the course of Roy’s naval career Ann was an avid volunteer as a navy wife providing compassionate leadership for the wives particularly during Roy’s tours as Commanding Officer of aviation patrol squadrons, as Commanding Officer of Naval Air Station, Brunswick, Maine, and as Commander Patrol Wings Atlantic in Brunswick, Maine. She flawlessly executed her role as a gracious hostess in her capacity as a Naval Officer’s wife. Following Roy’s retirement she gave countless hours of volunteer service to the Alexandria Symphony Orchestra League in Alexandria, Virginia.

In 2013, they moved from Alexandria, Virginia to Heritage Eagle Bend, a retirement community in Aurora, Colorado, to be closer to their children and grandchildren. As active residents of the Heritage Eagle Bend Community, Ann participated in many HEB activities, including golf and bridge with her HEB friends. Although Ann traveled the world throughout her life, by far her greatest accomplishment was her family. She was the definition of a most beloved and steadying matriarch! She provided a moral compass that guided her family’s direction, and she shared her grace and kindness with all who crossed her path. Above all, she was a great wife, mother, grandmother, sister and friend to all. Hers was a life well lived and worthy of great celebration. She is survived by her husband Roy, her 3 daughters, Mari Gillman, Lisa Snyder and Stacy Roode; her 5 grandchildren, Kalli, CJ and Tommy Gillman, Jack and Joe Roode, and a great grandson, Brooks Gillman.

BNAM Hosts 244th Navy Birthday Gala

BNAM teamed with the Casco Bay Council of the U.S. Navy League to host a Gala in honor of the 244th Navy Birthday Gala on Saturday, October 12th. 75 people attended the event and enjoyed an evening of celebration of the heritage and esprit of the U.S. Navy. This year's event featured Dinner Dress/Black Tie/Cocktail attire and delicious dinner catering by The Muddy Rudder restaurant of Freeport.

CDR DonAnn Gilmore, the Commanding Officer of Pre-Commissioning Unit USS DANIEL INOUE (DDG-118) served as the guest speaker and offered a fantastic update on recent developments in our Navy and the experience of her Pre-Commissioning Unit crew as they endeavor to make DDG-118 ready to sail. Photos of the event follow, and we look forward to continuing to build upon the success of this year.

Sea Cadets from the Coast Guard Group Portland Division provided Color Guard services for the evening.

PCU USS DANIEL INOUE Holiday Party

BNAM was honored to host the Holiday Party for the crew of Pre-Commissioning Unit USS DANIEL INOUE (DDG-118), who did a fantastic job in decorating BNAM for holiday cheer. We are thankful for the opportunity to give back to these Sailors and their families who have stepped up to answer our nation's call to service.

2020 NAS Brunswick Reunion Schedule

We are pleased to announce the schedule of events and pricing information for the 2020 NAS Brunswick Reunion, which will be held on 14-16 August, 2020. Highlights of this year's reunion include:

- Held concurrently with the Great State of Maine Airshow, including performances each day by the Blue Angels! Friday is an air show practice day, and there is no charge for admission. Saturday and Sunday requires paid admission to the airshow between the hours of 8:00 a.m. and 4:00 p.m.
- A dedication ceremony of our newly refurbished P-3 static display on Friday at 4:00 p.m. VP-8 will lead the dedication ceremony as they contributed the majority share of the fundraising for the refurbishment. The P-3 static display will be painted in the livery of LC-85 in honor of the eight VP-8 aircrewman that were lost when their P-3B suffered a catastrophic mishap over Poland Spring, Maine on September 22nd, 1978.
- Food catering by Cook's Lobster and Ale House and a cash bar featuring sodas, cocktails, wine, and beer from the Flight Deck Brewing Company. Cook's Lobster and Ale House and Flight Deck Brewing Company are strong supporters of BNAM and Cook's is generously donating 10% of all food sales back to BNAM and Flight Deck Brewing Company is donating \$1 to BNAM for every beer sold during the Reunion. The Welcoming Reception on Friday night and the Airshow Parking Lot Party on Saturday afternoon will feature an ala carte, pay as you go menu and cash bar. The Reunion Banquet on Saturday night features fixed menu options and a cash bar and requires pre-paid food reservations in advance. Further details are contained below.
- VP-23 is hosting a squadron reunion on the sidelines of the NAS Brunswick reunion, and other squadrons are encouraged to do the same. Please send an e-mail to president@bnamuseum.org if you are interested in making arrangements for a squadron reunion.
- We expect to go-live with on-line reunion registration and Banquet meal reservations shortly after the New Year on our website at <https://bnamuseum.org>.
- We will host a four-ball scramble golf tournament on Sunday morning at an 18-hole course in the Mid-Coast Region if there is sufficient interest; please indicate on your Reunion registration if you are interested in playing.
- We recommend that you make lodging reservations early as the Great State of Maine Airshow will add demand to the normal tourist demand for lodging in the beauty of August in Maine. A list of Mid-Coast region lodging options is posted on pages xx-xx.

Call For Volunteers

One of our key needs to achieve our growth strategy in 2020 and beyond is to build our base of volunteers to give us more organizational capacity. Here are some key committee functions where we need more volunteer capacity:

Collections Committee: Receive, catalog, and prepare artifacts for exhibit. Construct story boards to offer historical and educational context for artifacts.

Docents: Greet visitors and present educational tours of the museum and its artifacts. We need more docents to expand our hours of operation.

Development Committee: Solicit and sustain corporate sponsorships and capital campaign contributions from individuals and corporations alike. This function can be performed virtually.

Events Committee: Coordinate support infrastructure requirements (chairs, tables, audio/visual, music, etc.) for museum-hosted events. Execute setup/breakdown of event support infrastructure.

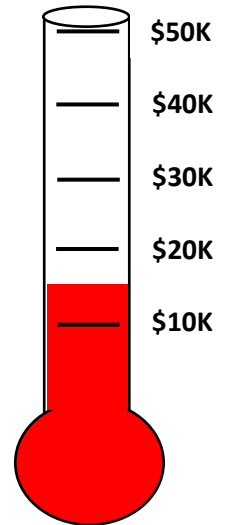

Information Technology Committee: Design and maintain museum IT infrastructure including our web site and Facebook page.

If you are willing to volunteer your time and talent toward any of these committees, please send an e-mail to info@BNAMuseum.org.

VP-23 “Seahawk Challenge”

We are pleased to report that the VP-23 “Seahawk Challenge” has reached the 31% mark in its quest to raise \$50,000 for our “Wheels Up” capital campaign. The Brunswick Naval Aviation Museum, in partnership with Captain and Mrs. F. Brown Word, USN (Retired), is pleased to announce the kickoff of our “Seahawk Challenge” to raise \$50,000 in donations and pledges to the museum’s “Wheels Up” capital campaign. Captain & Mrs. Word pledged \$10,000 to the museum’s capital campaign, and would like to call upon other former VP-23 “Seahawks” to pledge their support for the “Wheels Up” campaign with a goal of raising \$50,000 to name the museum’s flight simulator room the “VP-23 Seahawks Flight Simulator Room.” The VP-23 “Seahawks” were based at NAS Brunswick, Maine from May of 1952 until the squadron was disestablished in February of 1995, and Captain Word was the Commanding Officer from 1989 to 1990. Capital campaign pledges may be made over a period of up to 5 years. In launching this challenge, Captain Word stated, “I have visited the Brunswick Naval Aviation Museum and seen its potential to preserve the rich heritage of NAS Brunswick and the squadrons who were stationed there. VP-23 was based at NAS Brunswick for more than 40 years, and I call upon all former Seahawks to contribute to preserving the legacy and camaraderie of the Seahawks.”
